Shard
Megan Stevenson
Episode 13

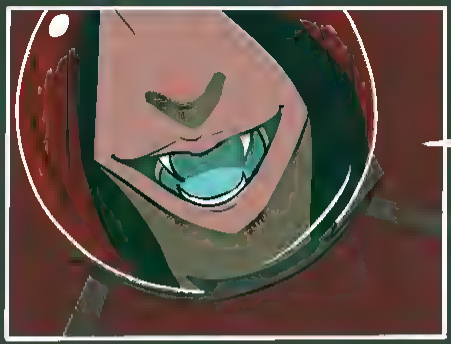
Come on,
you bastard.

Just find her already!

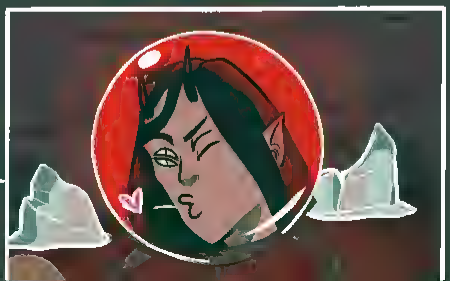
This is hopeless...
SNORT

I can't believe you thought putting on her clothes would help
How embarrassing

Are you joking??
This was *your* idea -
Testing...Testing...



Hey baby.

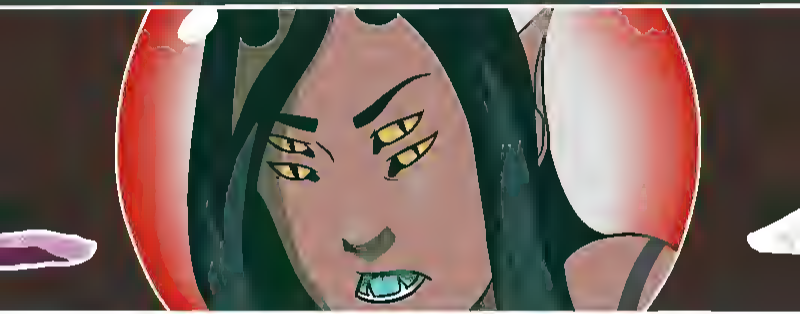


Miss me?

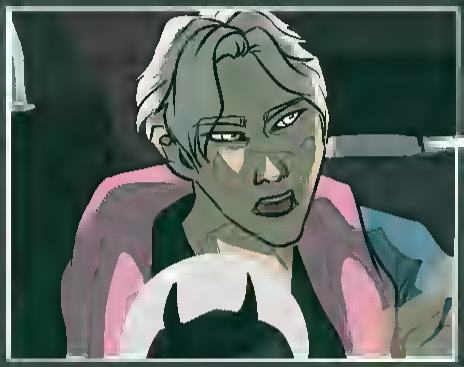
I told you never to contact me

But I had to see you!

Also...



...the Master wishes to meet with you.

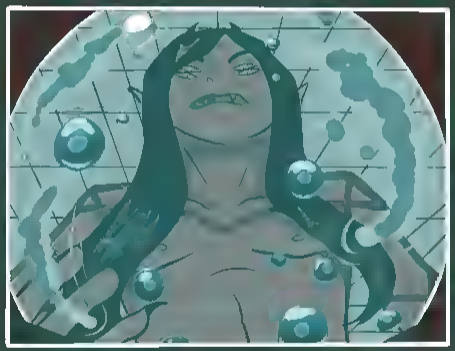


Not here.
The Council would definitely notice a demon that strong in Coven halls.

But I'm fine, right?

Because I'm sooo weeaakk and-

Oh, shit.



Dropped it -

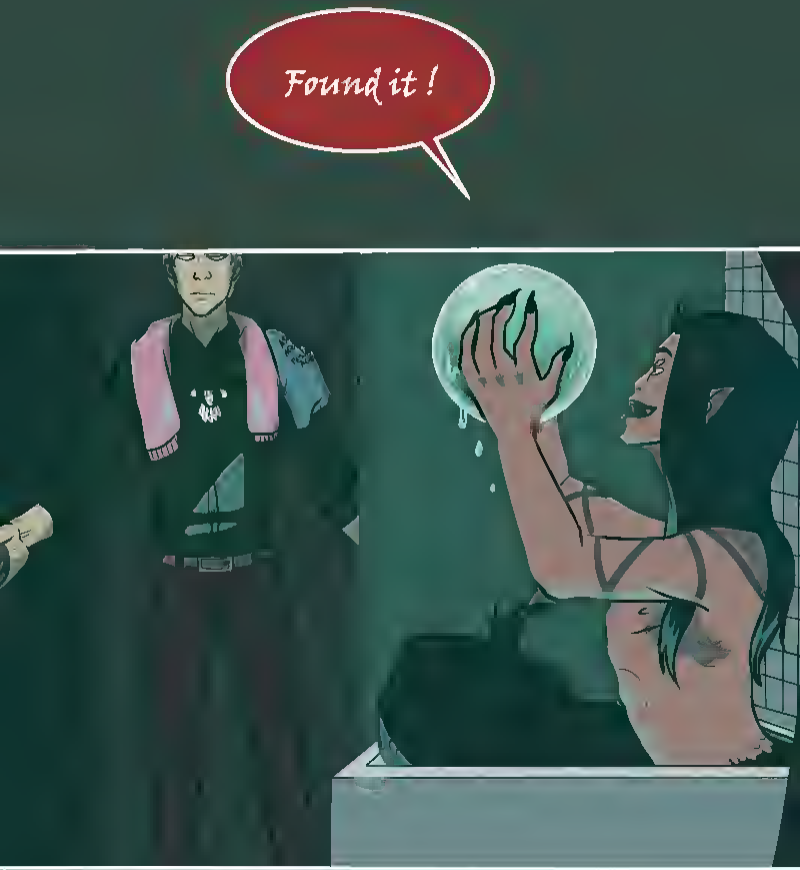
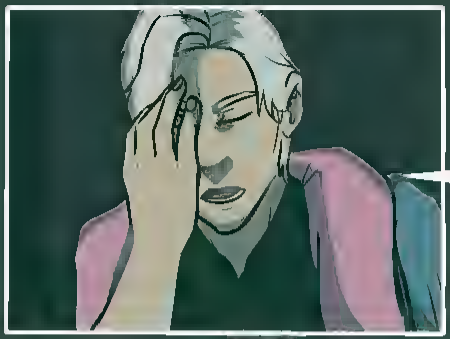
FZZZ



Found it !

OOP-

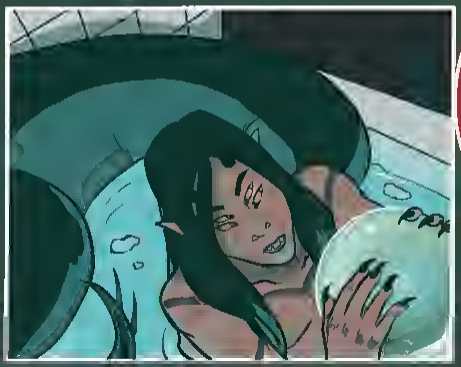


Why are you -

Nevermind, I don't have time for this. Leave now.

You need to gather more research?

Why not just befriend the brother?



No, he'd be suspicious straight away.

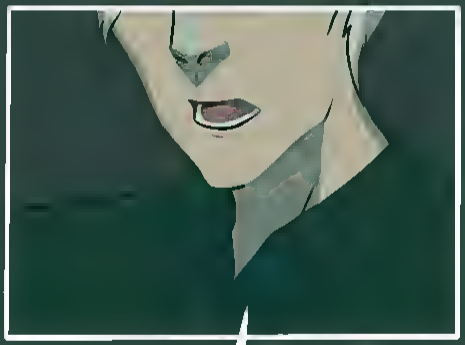
Do you enjoy dressing so formally all the time?

Seems like that Shard witch had the right idea about

those human clothes.

This is what is expected of me.

The Council had no idea about Shay's double life

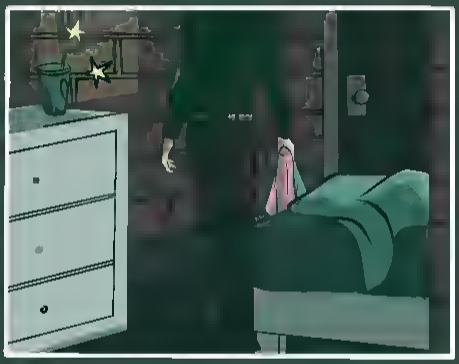


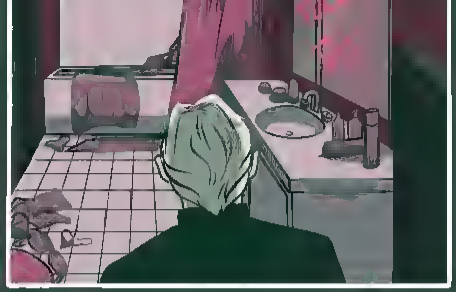
It turned out there was a lot about her they-*we* didn't know

I'll send my Grimalkin with the meeting details later. Leave.

Fine.

SNORT
I'll buy you fancy tuna.
...There are scales in your bed.





FUCK
THIS
